PREFACE

This file is an INDEX FILE of the titles and summaries of SatanArt albums. Version #1 means that many albums are only planned and partially prepared for publication, but they are not yet fully done. The following versions of the index file will be released with clarifications of the titles, their numbering and ready-made title covers for only planned albums. In the process of releasing new albums, I will prepare more recent versions of this index file to inform readers and viewers. Therefore, this document contains both releases and announcements of SatanArt albums. Releases have a large title, a large 6cm picture and a description on a purple background. Announcements of SatanArt albums have a smaller title (second level), a 3cm wide picture and no description of the content.

The index file is a puritanical album. I reduced the title pictures with erotica to 1 cm in the parameters "Size and position" of the MS Word picture. Do not be surprised that some pictures are small - this was done on purpose, to be able to distribute the document on puritanical and sanctimonious Internet sites. You can increase their width to 6 cm or 3 cm in the MS Word DOCX file and it will not be quite a puritanical publication. Puritan albums of gay Satanism can be distributed on any Internet sites.

Each SatanArt album contains 100 pictures of Satanic art that Antichrist Slut Sodomia found in the public domain on the Internet, processed for publication, gave her own titles and comments for each picture. Some albums contain anti-Satanic images of the evil of our world and serve as an illustration of the designated goals for the black magic of gay Satanism.

The collection of images for SatanArt albums is built on a common theme (Baphomet, Jesus, the direction of sex, fetish) or the artistic affiliation of the drawings (abstraction, tattoos, signs). Antichrist Slut Sodomia came up with the choice of themes for the albums, based on the usefulness for understanding Satanism, for obtaining Satanic spirituality, based on the interestingness or for the purpose of indicating the sources of evil in our world. The themes of SatanArt albums are different and are mainly collections of artistic drawings-graphics. Sometimes, SatanArt albums consist of documentary photographs, but such albums are a minority. At the moment, I have planned 100 SatanArt albums for 03.03.2025. 24 albums have already been made, some of which have been released in MP4 video format on the Internet. Some SatanArt albums contain eroticism and pornography, and some are puritanical, i.e. without erotic-pornographic pictures. The diversity of Satanism themes does not imply coverage of the entire spectrum of Satanists' interests, even in 100 albums.

The Antichrist will be glad to receive material support for his work from Satanists and from people of the LGBTQ+ community. The details of the Antichrist Slut Sodomia for donations and information about the albums-books of gay Satanism are contained at the end of this document.

Nr	Name of the SatanArt album on a specific topic	Album cover
1	**SATANART #1. CLASSIC IMAGE OF SATAN-BAPHOMET AND CANONICAL SATANIC ICONS (TWO VERSIONS: SEXY EDITION & PURITAN EDITION)** I dedicate the collection-album SatanArt No. 1 to our Teacher and Spiritualizer Satan and all the forces of hell. Therefore, the theme of the first release of the SatanArt album is: The classic image of Satan-Baphomet and canonical Satanic icons. There is little pornography in this episode. I focused mainly on icons depicting Baphomet. I added some images of Satan with sexual lust to the SatanArt issue #1 for added interest. The set includes dark Baphomet icons, cute Baphomet images, scary Satan images, and beautiful Satan images. However, for each person the paintings will evoke their own feelings. Please note that these are not just ordinary feelings, but a visual method for accelerating the acceptance of Satan or a method for immersion in Satanism.	
2	**SATANART #2. TRANSGENDER SATAN MTF FUTANARI-DICKGIRLS** I dedicate the collection-album SatanArt No. 2 to MTF transgender transition and all the members of our large LGBTQ+ community of Satanists. Transgender transition is part of Satanism and part of the greater soul of Satan. Eliphas Levi's Baphomet is depicted as an MTF trance. This is not an accident. Satan can take any form and, of course, combines all sexual genders and lust of any direction in himself. Satanists strive to be like their Spiritualizer, Teacher and Source of lust. Converting a boy or man into an MTF trans is not just a process of changing gender. This is a much deeper process of satanization, when a passive pederast becomes a conscious Satanist. The collection-album SatanArt No. 2 is dedicated specifically to the image of MTF Satan-trance, and not to ordinary dick girls. A separate collection SatanArt No. 11 will be dedicated to the beautiful goddesses-Satanists. Let the release of the album Antichrist Slut Sodomia SatanArt No. 2 contribute to the development of transgender transition throughout the world. The more bottom homosexuals consciously turn into dickgirls, the better for Satanism and the more light, goodness and lust there will be in our world. The more damage will be done to evil throughout the world.	
3	**SATANART #3. SATANISTS AND ANTICHRIST SLUT SODOMIA** I dedicate the collection-album SatanArt #3 to all Satanists and to myself, the Antichrist Slut Sodomia. Understanding the image of Satanists is important for Satanists themselves, especially for young adherents of gay Satanism. Pictures of the album of fine art of Satanism SatanArt #3 give an approximate idea of the spiritualization of people by Satan, through abstract images. Pictures show the spiritualization of Satan in the form of grotesque, strange and fanciful images. Spiritualization by Satan cannot be shown graphically in the form of a clear object or phenomenon, but can be shown in the form of a special aesthetics and even in the form of	

	perverted pictures of Satanism. Enjoy the pictures and catch Satanism in yourself.	
	SatanArt #4. Queen of Hell Demons Lilith - female lust incarnate I dedicate the collection-album SatanArt #4 to the female incarnation of Satan in the form of Lilith. The image of the Goddess of Hell with a female vagina and female consciousness is a complementary image to the canonical representation of the male Satan and the transgender Satan. Satan can be of any gender. Satan does not deal with human family roles, i.e. Lilith is not Adami's wife and not Satan's spouse. Lilith is Satan. We can say that Lilith is the most conscious woman who exists forever for herself, does not want to reproduce, but wants to get pleasure from lust and Satanism. Lilith is against the birth of unnecessary people, especially in our overpopulated world, which is already overpopulated enough. According to the Slut Sodomia, the overpopulation of the earth in 2024 is 8000% (from the Grimoire "Gay Lust"). I like the image of Lilith as a patron of feminists, lesbians, and the childfree movement. I also think Lilith is the best visual representation of Satan for heterosexual male Satanists. For many heterosexual males, Satan is best represented through the lust of a woman's vagina, not through the penis between Baphomet's legs. Satanists love Satan and each Satanist will have his favorite image.	
5	**SatanArt #5. Lucifer - Light & Dark Magic Caster** I dedicate the collection-album SatanArt #5 to Lucifer, the spellcaster of Light and Dark magic. All artistic images of Lucifer in the album SatanArt are humanized, metaphorical and symbolic. The image of Lucifer in Satanism has always been especially revered for the grace and wisdom that he brings. If Leviathan is the power and strength of the entropy for the evil, Satan is a symbol of Satanic spiritualization and resistance to evil, then Lucifer is the Light of wisdom, a symbol of freedom and the source of the black magic of Satanism. IMHO. Let the light of Lucifer illuminate your path of life, and the black magic of Satanism disperse the clouds of evil, in moments of its thickening. Hail Satan, Luciferi Excelsi!	
6	**SatanArt #6. Satan as the Crusher, Tamer and Destroyer of evil** I dedicate the collection-album SatanArt №6 to Satan the Terrible, having selected for you from a decent number of successful drawings, the best or most interesting, according to the Slut Sodomia. Satan is drawn as beautiful, sexy, perverted, wise, surreal... and terrifying. This diversity of Satan's images indicates that Satan exists and a very large number of enthusiastic and professional artists draw Satan. Unlike the so-called god of religions, Satan is drawn by Satanists in a variety of incarnations and there is no such incarnation of Satan that cannot be drawn.	

7	**SatanArt #7. Gay Satan and Gay Satyrs** I dedicate the collection-album SatanArt №7 to the beautiful Gay Satan in the classical form of a male homosexual. Satyrs are, perhaps, the most masculine embodiment of the satanic gay image[1]. Therefore, many drawings in the album contain images of Satyrs. Album #7 can be considered one of the classic erotic releases of the SatanArt series. The visualization of Satan in this album is directed towards gay pornography or gay erotica. Very often, the image of Satan is revealed through Gay Satyrs, although there are no clear differences between the Devil, Satan, the Krampus and the Satyr. These are nuances of artistic and pictorial form. Antichrist Slut Sodomia compiled this album, specifically emphasizing the gay orientation of Satan. The image of Gay Satan emphasizes the beauty of Satan for all Satanists, reveals the beauty of gay lust and pederast sex. The album uses paintings by various young Satanist artists.	
8	**SatanArt #8. Hell of Euphoria for Satanists and Afterlife Entropy for Critters** I dedicate the collection-album SatanArt №8 to the world of Hell. The world of Hell for Satanists and Demons is a place of power, next to our Teacher Satan the black magic of Satanism begins to act instantly, and not very slowly, as in our world of planet Earth. Therefore, Satanists feel great in Hell and have fun - mocking evil, torturing creatures until their final entropy by Satan. It is very typical for Satanists to feel Hell as a large place of group lust and euphoria. For this reason, Hell looks different for critters and for Satanists-Demons. There is nothing surprising in this. It is very similar to life in our world of planet Earth, when some people live in luxury, and others vegetate in poverty, in prisons or in the forced fog of anonymity.	
9	**SatanArt #9. Japanese Satanism. Thunderstorm Oni. Satan in Japanese Art** I dedicate the collection-album SatanArt №9 to the image of Satan in ancient and modern Japanese art. In the album SatanArt №9 I paid the main attention to the image of Satan-Oni, in the form of masks. Satanic Japanese graphics are quite diverse and differ from the European representation of Satan. However, the Japanese and European understanding of Satanism and Satan have much in common. Even if Satanists may not understand each other through the language of communication in words, Satanists understand each other through art. I can assume that in Japan, there are a large number of Satanists, relative to the population, but this is only the guesswork of the Antichrist. I hope that for many people my collection will open up something new in art and Satanism.	

[1] The words Satyr, Hell and many other Satanic terms I will write with a capital letter, as proper names are written. I start this innovation with SatanArt #6-7. This is a respectful attitude towards the Demons of Hell and the forces of Satanism around us. This is the personal desire of Slut Sodomia and it can contradict the language norms of the grammar of the language. Slut Sodomia herself is the bearer of grammatical rules and can independently form them, without looking back at other participants in the community of linguistic communication. You can consider this an artistic device of the Antichrist Slut Sodomia.

	As a self-education, I studied the issue of Satanic Japanese fine art. On the pages of SatanArt №9 I will give a summary of my research on Japanese art of images of Satan and Hell. Satan in Japanese may not have a single meaning, but its elements and concepts permeate various areas of Japanese culture, from literature and folklore to media and art.	
10	SATANART #10. SATAN AND HELL FROM CHRISTIANITY. OLD TIMES SATANIC ENGRAVINGS I dedicate the collection-album SatanArt №10 to one of the most advertised images of Satan, performed by adherents of the Christian church or Christianity. Catholicism and other sects of Christianity worked very well in the Middle Ages to spread information about Satan, Hell and the entropy of creatures in Hell by the Demons of the otherworldly Infernal dimension. Satanism can thank Christianity for popularizing the image of Satan in society. To be honest, I do not quite understand why Christianity should fight with Satanists ... we have a lot in common in understanding the image of Satan and Hell. For some unknown reason, Christianity still considers Satan to be something bad, although there is no reason for this. In many ways, Christianity is mistaken, serves the forces of evil, attacks Satanism and Satanists. However, the favorite method of Satan and Satanists Christianity performs: the very evil of religion advertises Satan and the entropy of evil in Hell. Album SatanArt №10 contains paintings of ancient times, so in this album there is no digital computer painting of modern times.	
11	SATANART #11. BEAUTIFUL MTF SLUTS, TRANSWOMEN AND DICKGIRLS IN GAY SATANISM EROTIC ART I dedicate the collection-album SatanArt №11 to beautiful dickgirls, the so-called partially or fully feminized passive faggots. Album SatanArt №11 will be useful for LGBTQ+ people and even heterosexuals who want to be or already are MTF trans. Also, the album will be interesting for Satanists, trans-admirers, lovers of passive sluts in female form. There are no images of Drag queen in the album, because it is more about a stage trans image for the show, which I do not consider as a wonderful example of MTF beauty. The beauty and sexuality of dickgirls, MTF Satanists is clear to me, I adore it, but the stage image of Drag queen does not fit into it. This is a topic for a separate album. I know that MTF trans transition is possible for heterosexuals. In this album I consider MTF trans transition, first of all, from the point of view of gay sexuality and gay lust. Some images in the collection illustrate sex between trans and SIC girls, but there are not many such pictures. All Satanists can have sex with each other, as pansexuals.	

12	**SatanArt #12. Beautiful Gay Boys and Men in Erotic Art of Gay-Satanism** I dedicate the collection-album SatanArt №12 to aesthetically beautiful gays of different ages and different directions of gay lust. Young gay boys, gay bears, gorgeous active males, feminine skinny faggots complete the gay society. Slut Sodomy loves when different and identical, in appearance, gays have sex. I love absolute and super-absolute gays and consider the diversity of shades of gay lust a positive quality of the gay community. The more variety, the better. This is the main reason why people need more and more new pornography to watch. Although, of course, everyone has their favorite types of gay beauty. I have collected the most satanic and gay pictures in my album, to my subjective taste. I can call this theme a classic of gay Satanism, because it combines the features of Satanism and gay lust. Also, I call this album of gay erotica a classic, because 100 drawings of the album reflect the main, generally accepted tendencies of gay erotica. In the collection SatanArt #12 there are no special perversions or "non-traditional" sex entertainment. All the pictures of gay love of the album personify dreams, desires, lust, aesthetics, which is characteristic of most gays of planet Earth.	
13	**SatanArt #13. Beautiful Satanic CIS Women and CIS Girls in Erotic Art of Gay Satanism** I dedicate the collection-album SatanArt №13 to the beautiful CIS bitches-satanists of the female sex. Satanic sex very often involves pleasant violence, voluntary rape, sadism, masochism and other elements of BDSM. Surrealistic animated images of Satanic sex are fictitious and are a sexual BDSM fantasy that should not be implemented in practice in our world. Engage in regular, gradual development of the anal cloaca and vagina to turn them into inverted genitals. Such practice is good Satanic sex or sexual Satanic meditation alone with yourself, using high-quality sex toys. CIS bitches have as many as two holes for corruption and transformation into organs of Satanic lust.	
14	**SatanArt #14. Delightful Satanic Gay Furies, ZooSex and Zoophilia in the art of Gay Satanism** I dedicate the collection-album SatanArt №14 to all the zoophiles, therianthropes, and bestiality lovers who have been innocently convicted by evil. A huge number of people on planet Earth love zoosex in one form or another. The forces of evil of our world, in the form of the SOCG and religions, forbid people to love animals with sexual love. Freedom of sexual relations with animals in civilized countries of the white race is strictly regulated and zoosex is prohibited, almost everywhere. For zoosex, long prison terms and huge fines are imposed. Of the "legal" options, there remains the option of becoming a theatrical therianthrope for a zoophile, turning into a gay puppy, just as actors in the theater turn into characters. For children, a good option for introducing them to zoo-Satanism is quadrobics. Many people on our planet are involved in sexual zoo-	

	love, and they are forced to endure the restrictions of the SOCG on copulation with animals. Who are they, this evil in jackets, i.e. the SOCG, to forbid you to love animals? Transformation into an animal is part of zoophilia, without contact with a real animal. This movement is called differently: furries, gay puppies, quadrobers, zoo-Satanists, shamanic totem animal. This is a simpler, theatrical form of zoophilia, i.e. human love for animals. The three main terms commonly used for this topic are "zoophilia", "bestiality", and "zoosexuality". People who practice zoophilia are called "zoophiles", "zoosexuals", or simply "zoos". Less commonly used terms are "zoorasty" and "sodomy". The term "zoosexuality" has been briefly discussed but never gained acceptance.	
15	SATANART #15. ABSTRACT SATANISM ART AND SATANIC TOTEMS I dedicate the collection-album SatanArt No. 15 to our Teacher and Spiritualizer Satan, to all the forces of Hell, Satanism and Satanists. The theme of the fifteenth release of the album SatanArt is: Abstract art of Satanism and Satanic totems. There is no pornography in this release, so this album release can be considered a Puritan Edition, just like the special version of the first SatanArt album #1 Puritan Edition. These two versions can be posted on different popular puritanical sites. The abstract art of Satanism most fully meets the principles of anthropomorphism, allegory and metaphor, as the basis of all art of spiritualized people. The collection SatanArt No. 15 contains images of Baphomet that are not canonical, images of Satanic spirituality in abstract form. All drawings contain Satanism or witchery metamorphoses. The album contains many monochrome black and white drawings suitable for creating tattoos. Enjoy Satanism and witchery aesthetics from SatanArt #15, collected by Antichrist Slut Sodomia.	
16	SATANART #16. THE EVIL OF THE STATES, THE DECEPTION OF RELIGIONS. THE ANTI-SATANIC FORCES OF VIOLENCE AGAINST THE FREEDOM AND AWARENESS OF PEOPLE I dedicate the collection-album SatanArt №16 to the exposure of evil, understanding the technology of evil, the fight against evil and the influence of the forces of Satanism on the entropy of evil in our world and in Hell. The collection consists of various pictures, many of which are posters or placards. Slut Sodomia has given a large role to evil in the form of fascism SOCG and liars of religion. These forces of evil work "in squares", involving billions of people around the world in their evil. The majority of the population of planet Earth do not resist evil and are its servants.	

17	**SatanArt #17. Posters and drawings of the magical herb-entheogen Marijuana in the art of Gay Satanism** I dedicate the collection-album SatanArt №17 to posters and placards on the theme of marijuana, 420 grass, ganja, Mary Jane, psychedelic hemp. In the album I placed old anti-marijuana posters, because they clearly show the connection between Satanism and the magic grass. Now, in 2025, 20 nations of the world and their governments have legalized the use and cultivation of psychedelic hemp. In the most fascist SOCGs of our world, marijuana is completely prohibited and its cultivation and use is punishable by long prison terms. Marijuana is a grass for getting closer to Satan and Satanism. Marijuana gives general spirituality to people and opens a connection with the External Information Field. All the creatures of our world who punish people for psychedelics, entheogens, tormenting them with prisons and fines will be subjected to special tortures in Hell. Those creatures who prohibit the magic flowers of marijuana or punish for growing and using hemp THC are criminals, enemies of Satan and Satanists. These creatures are also enemies of the freedom of humanity, not allowing people to touch the useful entheogen. The creatures of evil forbid you freedom, flowers and spiritualization by the Spirit of Satan.	
18	**SatanArt #18. Satan in the guise of Death. The Image of Death in Satanism** I dedicate the collection-album SatanArt №18 to the image of Death, which cleanses the earth from evil, makes the world of people better, carries out the evolutionary transformation of our planet Earth. Of course, the image of Death is a sad and sorrowful moment of farewell to people in our world who were so dear and close to us. Death for Satanists is a point of transition to another dimension and means farewell to our world. The death of various evil creatures means the cleansing of the planet Earth from bio-garbage. Now (in 2025), there are about 8 billion human bodies in our world, but among them there are very few immortal Satanists. The world of the Earth, basically 99%, consists of evil monkeys, different nationalities and races. The more human offspring there is, the less will be the specific number of immortal souls of Satanists. Therefore, the image of Death takes the form of a global cleansing of the Earth from unnecessary biological bodies in various ways: epidemics, wars, famine, natural disasters. Overpopulation of the Earth will increase mass Death of people. This is not a prophecy, but a pattern.	

19	**SatanArt #19. Satanic Spiritualization in the Quantum World of the External Information Field** I dedicate the collection-album SatanArt №19 to the image of spiritualization by Satan and the allegorical image of the External Information Field. Human spiritualization is an invisible process of connection of human consciousness at the quantum level with the Universe or with other dimensions. For a Satanist, the most native dimension is Hell. Not all spiritualized people are Satanists. Most people on planet Earth are filled with evil and their spiritualization is at the level of "a computer without a network connection". Unfortunately, the lack of spiritualization gives birth to evil, stupidity, and decay in people. Slut Sodomia would like the population of the Earth to decrease by 80 times, and each person to shine like a magic diamond with his aura of spiritualization. At the moment, planet Earth is overflowing with creatures of evil, and the shit of fascisms of all SOCG is simply bubbling with a stinking brown liquid. The value of a human being is lost among other similar biological creatures, the human species. In 2025, I have become more confident that spirituality differs among the peoples of the world. There are frankly disgusting peoples, such as Russian cannibals, descendants of androphages. Disgusting peoples are cursed, they do evil and their mentality is filled with vile evil, mixed with their stupidity. The damned do not resist evil - this is the basis of their curse. They themselves are evil and bio-garbage of planet Earth.	
20	I dedicate the collection-album SatanArt №20 to the image of Satan, in the form of Leviathan, which is often associated with the Serpent, the Beast or the Dragon. It must be said that the image of evil SOCG, also often represents in the form of a beast or in the form of a harmful dragon. On the coats of arms of SOCG are depicted different beasts, animals or birds . This means that the evil-beast is opposed by Satan-Dragon. Here, a very interesting picture of the balance of forces of these Dragons is emerging. In Hell, all evil creatures are subject to long entropy by the forces of Hell and evil has no chance in Hell. Black magic of Satanism binds all the forces of evil in Hell. In our world of planet Earth, the balance of forces is not the same as in Hell. Black magic acts slowly in our world, exposing evil is difficult, the lie of evil is hidden behind a thick web that evil weaves for people. The number of Satanists, i.e. representatives of Satan in our world is too small for direct destruction of evil. Black magic of Satanism destroys evil, also in our world. The best way to destroy evil is the method in which one evil destroys another evil or evil destroys itself. The principle of destruction of evil, by the hands of evil itself. I am making the collection SatanArt №20, at the moment when the forces of fascism are seething all over the planet Earth, splashing splashes of brown evil of the SOCG into the ears of gullible people. There are 8 billion such people now and the level of development of these bio-organisms is close to that of animals. Most of these people are not able to distinguish evil from good. Especially, in the fog of propaganda. And if the lie is hidden by tales of	

	greatness, homeland and patriotism, then the creatures are powerless to see the evil of the SOCG. Until this evil makes the creatures' own life bad or uncomfortable. Then the creatures begin to suspect something. At the same time, it is not a fact that they are able to understand what is evil, even after centuries of being oppressed by the evil of the SOCG. Biohumus is too stupid for critical thinking, deduction or analysis.	
21	## SatanArt #21. Signs and Sigils of Satanism I dedicate the collection-album SatanArt №21 to the newcomers of Satanism, Wiccan witches, young spiritual boys and girls. Discover the world of Satanism, through acquaintance with the main signs and sigils of Satan, Lilith, Lucifer and Leviathan. Let these sigils and signs guide you through life and break the bonds of evil on your way. Hail Satan!	
22	## SatanArt #22. Zoo-Satanism: Quadrobists, Therianthropes, Furry, Gay Pups I dedicate the collection-album SatanArt №22 to all zoo-Satanists, mainly children and teenagers. Get closer to nature and throw off the shackles of evil, through playing an animal or through a totemic connection with the spirit of an animal. These are traditional quasi-Satanic values, speaking the language of evil creatures, which have been used for thousands of years by shamans and tribes of ancient people around the world. Animal spiritualization protects you from evil and in this there is a great similarity with classical Satanism. However, for Satanists it is the spirit of Satan. It is possible that animal spiritualization will be the beginning of your spiritualization by Satan. To be spiritualized by Satan, you need to feel your sexuality, have a wealth of knowledge and a lot of life experience. When a teenager receives such attributes of his awareness, he will become a Satanist and accept spiritualization by Satan. Zoo-Satanism is a sandbox for real Satanism and is a quasi-Satanism that serves as a transitional stage of human spiritualization. I hope that the release of the album SatanArt #22 will become a mental defense for quadrobers, terries, furries and gay puppies, their little hobby-zoo-compass.	

23	**SatanArt #23. Overpopulation. Childfree. Antinatalism. Anthropogenic pollution of the Earth with excess human offspring** I dedicate the collection-album SatanArt №23 to one of the main problems of good spiritualization of people inhabiting planet Earth. The main problem is the excessive number of superimposed evil critters who do not have good spiritualization at birth and cannot receive it during adulthood. At the same time, I do not even mean satanic spiritualization for the masses of people, but I would simply like the quality of people to be higher than the animal level or the level of stupid consumption of goods with resources. It is the overpopulation of planet Earth that is the reason why satanic spiritualization is a rarity in our world. A huge number of empty people have been superimposed, who are simply bio-bodies without real spiritualization by awareness. About 90% of the planet's population lives the life of animals and pollutes the planet with their presence and their secondary anthropogenic pollution. The solution to this problem can be the phrases: stop being fruitful and multiplying! Critters, stop breeding your own kind of freaks! Satanists, childfree people, feminists and antinatalists are implementing these simple slogans. Partially, gays and many people of the LGBTQ+ community who are not inclined to give birth to new human offspring are implementing these programs. The evil of our world, fascists, religions and the SOCG want the critters to spawn and multiply in numbers. Evil wants the critters of the human species to be stupid, fooled and without significant spirituality. Evil is afraid that there is a significant number of spiritual Satanists in the world. When there are more than 10% of Satanists from the population of planet Earth, the power of evil will come to an end. Now this figure is much lower and is less than 1% among the best peoples of the world and about 0.001% among wild monkeys of the human species. I examined the topic of spiritualization of the population of planet Earth in more detail in the SatanArt album #19 “Satanic spiritualization in the quantum world of the External Information Field” and in the main grimoire of gay Satanism “Gay lust”.	
24	**SatanArt #24. Rashism. Russian Evil of Putinism & Fascism of Russia** The collection-album SatanArt №24 is aimed at exposing the evil and lies of racism, which comes from the last empire of the old type. The Russian Federation is an empire that is slowly but steadily moving towards its collapse and decline. For some reason, this prospect shocks and frightens many Russians. It is quite strange. The collapse of the concentration camp of nations, created from lies, nastiness, violence and theft, is a blessing and good. Of course, the collapse of the garbage dump called Russia will not be smooth and calm. Too much evil, stupidity and orc-psychopaths inhabit this territory for a calm cleansing of the territory of Russia from the Russian SOCG with its head in the Kremlin. I can attribute the album SatanArt №24 to quasi-satanic albums and partly to journalistic publications on the topic of racism-Putinism, which is relevant for our world. Artistic drawings on the theme of Putinism, racism and war.

Information about SatanArt albums and Gay-Satanism

About the releases of updated versions of the SatanArt index file

I plan to update the index file several times, as new SatanArt album releases are created and released, i.e. when album announcements turn into releases. I assume that there will be about 3 versions of updates to this file. The final version of the SatanArt index file of satanic art albums I will make in two versions: a puritanical version and a sexual version. In the sexual version, all erotic paintings will be in normal size, without reduction.

Key theses for understanding satanic images in art

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and the religion of evil lies in individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG[2] or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the forces of evil in our world, Satan is the main enemy. Satan is an image in the human mind and a mystical experience of connection with the spirits of another dimension called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science is already studying and using the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher for Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan

[2] SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the gay Satanism grimoire "Gay Lust".

is the inner spiritualization of a Satanist, not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, it means the opposite, because it is the evil of darkness that gives birth to Hell, revenge and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of soulless critters, SOCG. This is the definition of the term specifically for Satanism and Satanists. Also, these images can mean ordinary human emotions, in relation to people.

Vengeance - this image is important for all Satanists. Vengeance on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to vengeance and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light.

Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in the dimension of Satan.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, so they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd behavior is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of the true spiritualization of Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All the gods of religion are united by evil, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of man. The term Antichrist also means a Satanist close to Satan and the forces of Hell and possessing high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imposed duties before evil, herd behavior. The main difference between Satanism and religion

or other philosophical concepts is that the spiritualization of man by Satan and the forces of Hell comes from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Enlightenment by Satan comes to a person at birth or develops consciously, in more mature age. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for self-knowledge, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or making new human offspring. Satanic lust is always aimed at getting pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic spirituality. Many clues about the lies of evil are given to a Satanist not only by internal critical thinking, but also by a mental connection with Satan and the forces of hell. Satanic spirituality often gives a Satanist a feeling of an introvert and an individualist. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Inanimate critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have no connection with Satan or with the External Information Field at the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and system of oppression of the individual. The state = international military crime groups = Satanist's land occupiers = SOCG.

Fascism is a form of social organization that is expressed by the state's discrimination against its own citizens, i.e. under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bunch, bundle, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and the economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can control other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCG are fascist and their goal is material enrichment, social intraspecies elevation over other individuals of the human species and the possibility of oppression of people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These creatures will receive such a punishment in

Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (self-governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate creatures, for the purpose of their subjugation, stupefaction and material use.

Positive activity of organized territorial entities is the organized management of public utilities, development of the infrastructure of human society, maintenance of cleanliness of the territory and other social actions useful for the life of people, on the part of local economic and communal self-administrations, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. Antichrist Slut Sodomia supports such activity and does not consider economic management to be fascism or evil. At present, most territorial administrations (local governments) support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activity of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in oneself or one's spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's residence.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its especially outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, SOCG propaganda prevails over religious propaganda. Among savages and religious fanatics of the damned peoples, religious propaganda still leads.

The External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions). The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and not a paradigm. Useful entheogens help to see, hear,

connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help of entheogens. Most of all, the External Information Field is similar to a global multi-universe, presented in the form of a giant set of information and algorithms for the interaction of this information.

Everything that exists consists of information, our world consists of information. Interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations that rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, a mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of Satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are non-spiritualized (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, soulless critters are the main forces of evil in our world. The God of religions is EVIL. Its main difference from Satan is dogmatism, not the natural spiritualization of man. God forbids, Satan permits.

Faggot, faggot, pederast, slut, passive faggot - these are slang names for passive gays in a perverted form. I use all these forms and they are all correct from the point of view of grammar, because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. A gay slut is a passive queer who is not necessarily an MTF tranny, but usually has the desire to become one. The term slut can be used to describe any passive bottom gay men. The traditional desires of sluts are to be fucked in the ass. Sluts want to fill their anal cunt with sperm and absorb cum into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to denote a person whose sexuality and/or gender identity differs from the majority.

MTF transwomen and dickgirls are completely fucked up gay faggots who identify themselves as female with a male penis. Big female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF means Male-To-Female vector of transgender transition. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism "Gay Lust". For more information about dickgirls, read the grimoire of the Antichrist Slut Sodomia.

CIS, Cisgender – these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity matches the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym for "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender identity of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is considered "normal". Among the advanced peoples of white civilization, of our world, sexually retarded savages, homophobes and transphobes are considered abnormal. A synonym for this term may be the phrase NONTRANS, and an antonym may be NON-BINARY or TRANS.

Entheogens are considered to be those substances of plant, fungal, chemically synthesized or animal origin that allow a connection with “entheos”, that is, with the inner divinity, with the “divine principle” (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But large biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. Entheogens are not drugs because they not only do not escape from reality, but they bring you closer to it, and they do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and the rediscovery of our true I-ego through communication with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen one's animal nature by turning into an animal or through sexual intercourse with an animal. It is interesting that few people have sex with real animals because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadrobists, quadrobers, furries, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. There are not many lovers of animal sex among gays and Satanists, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without reincarnation as an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of creatures, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what creatures are not able to understand, but under the influence of propaganda and religion they are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex

and zoophilia. Homophobia manifests itself not only in the area of sex, but also in the free thinking of evil creatures. As false reasons for banning LGBTQ+ communities, homophobic creatures traditionally cite the protection of children, the imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling on traditional heterosexual values - only in the pussy and never in the ass. In fact, the reason for the fear of evil creatures before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of creatures in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. Evil knows this on a subconscious level, so the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SatanArt and SatanSongs satanic albums logos from Antichrist Slut Sodomia

23.03.2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for textual-symbolic designation of my SatanArt albums such a logo:

S☆✝☆N☆R✝

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of SatanArt albums of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

SatanArt - test yourself for Satanism!

Slut Sodomia realized that with the help of the SatanArt album, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. Yes, this idea was “in the air” with me ..., but I could not formulate it. Now I have done it. Therefore, SatanArt albums are a litmus test for determining Satanism in a person.

I believe that visual paintings, as well as music, are able to enhance immersion in Satanism and give Satanic inspiration to people of different ages and nations. They are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists work in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a mass appearance of magnificent works about Satan, Satanism and Satanists. Literally, in two decades, there was a rapid birth and development of modern Satanic art. A very large role in this was played by the computer, graphic programs and digitalization of art. I think that in the future, artificial intelligence and neural networks will also become assistants for many Satanic artists.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images[3]. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional[4].

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google

[3] https://ru.wikipedia.org/wiki/Аллегория Allegory. Wikipedia, the free encyclopedia. Page viewed date 06/13/2024

Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container[5]. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format[6].

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX [7]. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia “Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt” is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

[7] According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened creatures, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE "GAY LUST" FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire "Gay Lust" into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for immersion in the spirituality of Satan. Issues numbered. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums[8]. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic issues of the application of fine arts of gay Satanism SatanArt under numbers. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases "Don't hesitate to be a Satanist!" and "Don't be shy about being Satan!"[9]. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

---

[8] Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

[9] This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art , without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

The paid version with the archive was made in order to support Slut Sodomia, as the author of this collection and as the author of gay Satanism. Therefore, the payment for this musical content is conditional and voluntary . Paid versions of music videos will be available without the logo and with the gay Satanism logo, and in maximum quality.

It is possible that I will create additional music albums of satanic videos if necessary.

Collections of satanic drawings, photographs and other graphics of gay Satanism were created for the most part by spiritual people, most of whom are Satanists or LGBTQ+ people. The themes and genres of these drawings are completely different, but they are united by the fact that viewing these drawings spiritualizes a

person with Satan on a subconscious and conscious level. More precisely, these collections of satanic drawings can be called the visual aesthetics of gay Satanism. Of course, visual aesthetics spiritualizes a person.

There will be free and paid placement of drawings of gay Satanism:

1. For free, Slut Sodomia will publish satanic pictures with the logo of gay Satanism on the Internet, on the Darknet, in torrents and in Telegram. These pictures will be posted, each separately. The quality of these drawings will be lower than in paid collections.
2. DOCX and PDF collections of satanic drawings of gay Satanism, each containing 500 drawings, will be sold for a fee. In paid DOCX and PDF collections of graphics of gay Satanism, the quality of the drawings will be maximum. There will also be no gay Satanism logo on the drawings themselves. The collections will be thematic and periodic. The annex to the collections will include ZIP archives with individual images in JPG / PNG / WebP formats.

The drawings in the paid collections will be divided into thematic sections. The themes of the SatanArt albums are given in the Index file of the titles and summaries of the released and upcoming SatanArt albums of Satanic art.

Thus, the graphic art of gay Satanism, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help the Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of the graphics of gay Satanism SatanArt, in the DOCX / PDF / JPG / PNG / WebP format, will support the Slut Sodomia financially, and I will know that my work is in demand by people.

At the time of the release of the Index file of releases and announcements of SatanArt albums, the first 24 themes of SatanArt Satanic albums #1-24 have already been created. Some SatanArt albums (#1 and #3) are released in 2 versions - as sexual albums and as puritanical albums. Let the release of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless creatures.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money[10] issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world[11].

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of

Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, “so be it”), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, “flight from money” (attempts to maintain its purchasing power through investment), etc.

[11] Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the evilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus https://www.exodus.com/
2. MetaMask https://metamask.io/
3. Trust Wallet https://trustwallet.com/

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action .

Satanic music collections SatanArt by Antichrist Slut Sodomia PDF, DOCX, 500 music tracks. Lyrics and posters: http://tiny.cc/0pao001

This Index Collection-Album SatanArt “S☆✝☆N☆R✝ INDEX. Releases and Announcements of SatanArt Albums. INDEX FILE of the titles and brief contents of SatanArt Satanic Art Albums. Version №1. Announcement of 100 Albums”. I am publishing this document to familiarize the general public with the work of the Antichrist Slut Sodomia, in the field of collecting, compiling and publishing Satanic art on the Internet and on other public platforms of the information space of our world. I do not know how long it will take to publish the announced albums. In total, I plan to publish 50 SatanArt albums and begin writing the grimoire «Beyond the States». In the course of publishing SatanArt sexual albums, I encountered an unexpected problem with publishing Satanic art sexual albums. The Antichrist was counting on the public porn sites of the Internet to welcome my SatanArt video albums, but many sites reject such Satanism albums on their platforms. (Of course, they explain this by the rules and policies of porn sites. No one explained anything to me. The administrators simply delete videos without explanation. Everything is very “legal”, in their opinion.) Perhaps, this is a signal that gay Satanism needs its own sites on the Internet. The sanctimonious and hostile attitude of most public porn sites towards Satanism was an unexpected surprise for me and an expected confirmation that there are very few real Satanists. Having lust and loving pornography does not make a person a Satanist. On the other hand, Satanists always love perverted pornography, lust and special, Satanic art. Many people will be converted to Satanists by the SatanArt albums of the Antichrist Slut Sodomia. Many Satanists will be led deeper into the spiritualization of Satan by the SatanArt albums of the Antichrist Slut Sodomia.
